The Division of State Purchasing and general Services encourages contract users to compare all statewide contracts for emergency lighting for police vehicles before making selection. The current statewide contracts for these products are:

<u>Contract #</u>	<u>Supplier</u>	<u>Brand/Trade Name</u>
PD430	Professional Sales & Services LC	Code 3
PD1776	L N Curtis and Sons	Federal
PD1431	Vehicle Lighting Solutions	Whelan

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.
